In Year 5 & 6

For working hard.

Miley

In Year 3 & 4

For good manners.

Remy

In Year 1 & 2

For a mature attitude.

Levi

EYFS

For sharing.

Head teacher's message

Dear Parents / Carers,

It was lovely to welcome the children back to school after the Easter break. They have settled quickly and thoroughly engaged in their learning. On Wednesday 17th April we hosted a Hockey festival with 8 other schools joining us and Year 4 thoroughly enjoyed the experience – improving their hockey skills as well as working with children from other schools.

Today we have launched a new certificate for our celebration assembly. Reading and writing will now be celebrated through a Literacy Award. The Headteacher / Star of the Week award will remain unchanged. Our new award is a Maths certificate – to celebrate effort and achievement in Mathematics.

Have an enjoyable weekend.

Kind Regards

Jacqui Beavis – Headteacher

School messages, notices & reminders

Year 3 /4 Trip – Friday 26th April Woodmatters.

Thank you to those parents who have made a voluntary contribution for the trip to Woodmatters. Donations can still be made via SchoolHub and is greatly appreciated. The school does also financially support trips out of the school budget. However, without contributions we would be unable to partially fund as many trips as we do.

Please remember to either provide your children with a packed lunch or order one from the school kitchen.

Further information will be provided regarding time of departure and arrival back to school when this has been confirmed with the coach company.

EYFS Wellie Donation

EYFS would appreciate donations of any wellies that your children have outgrown. This will support us in using the school grounds even when it is muddy underfoot. Please hand into the school office or straight to the EYFS team.

Class Photographs

Class photographs will be taken on Wednesday 24th April.

After School clubs

All after school clubs will be starting next week WB 23.4.24

Neuro-Diversity Day

On Monday 29th April we will be celebrating a Neuro-Diversity day. Each class will engage in an age appropriate session with Katy Blacklock. Please see the next page of this letter. Katy has written a wonderful introduction and explanation.

On the day the children may bring in a small teddy which is special to them. This teddy must be able to fit in a bag and on their table. Please no gigantic teddies!

School messages, notices & reminders

Neurodiversity Day – Monday 29th April 2024

Dear Parents,

Firstly I hope you are all well and recovered after the Easter break.

I wanted to write to you all to introduce myself to those who aren't familiar with me, I'm Katy Blacklock and have 3 children who attend Moor Row School, in most recent month's I have been actively supporting the school as a volunteer.

On the 29th April, I will be attending school to deliver an awareness day on the topic of Neurodiversity. I was diagnosed at 26 with Autism, and in the following year ADHD having spent numerous years under the care of the NHS mental health services, all three of my children also have a neurodivergent diagnosis.

This day will include short workshops around awareness of Neurodivergent diagnosis, understanding behaviours, coping mechanisms, peer support and terminology. Whilst I appreciate this may be a difficult topic for some, I really do hope it brings comfort and understanding for all, creating a inclusive environment for both teachers, parents, and students.

All topics have been discussed and reviewed by the teachers, and the children will be encouraged to speak if they wish, no question is a silly question.

I wanted to write to you all as an ambassador for MIND UK, OCD UK, Autism & ADHD advocate to offer support and guidance should you ever need it. Navigating a family is hard regardless, and whilst embracing on our journey we have found the most rewarding support is getting to know and understand others.

I hope you find this letter well, and if you have any questions please do not hesitate to contact the school in which I will be happy to aid where I can. Please also reach out if you would like any further guidance, information, coping strategies or interested in workshops. I hope to implement these in the new school year but have a bank of resources currently available.

Yours Sincerely,
Katy Blacklock
