## Head teacher's message

Well what an amazing couple of weeks we have had at Moor Row Primary School. Christmas has definitely been in full swing.

I hope everyone enjoyed the EYFS and KS1 Nativity as well as the KS2 carols. A couple of the school council visited St. John church and decorated a Christmas tree with decorations made by the children across the school. Year 3 & 4 also visited the Warm Hub at Emmanuel Church. They sang songs and also shared information about their tree planting project. Further news about the success of this project will be shared in the new year.

The whole school took part in our charity reindeer walk along the cycle path. We had a number of positive comments from members of the public about the children's manners and behaviour. This also resulted in a member of the public making a donation to the school in support of the charity.

The Christmas dinner was a success with the children and the children from KS2 who attended Shrek at Blackpool had an amazing time. I think the staff enjoyed it too!

On Tuesday 16<sup>th</sup> January at 3.30 pm we are holding a parent reading workshop for KS2 (Junior) parents. Reading is a focus for homework and I'm sure you will find this particularly useful to enable you to support your children in this very important area of the curriculum. Please see the booking form sent from the office – this also identifies if you require child care.

Just to make you aware that there have been a few positive cases of Covid in school over the past couple of weeks - so please be vigilant to children's symptoms.

I would like to take this opportunity to thank you all for your continued support at school. Merry Christmas and a Happy New Year.

Kind Regards  
Jacqui Beavis

## Your attendance

Overall attendance
