Head teacher's message

Dear Parents / Carers,

We have continued to offer the children at Moor Row Primary School a number of extra-curricular opportunities over the past 2 weeks.

These activities have included:

- Year 5 & 6 visited The Rum Story and harbour as part of their study of local history.
- KS2 had the opportunity to perform in Manchester as part of a 8000 strong choir. The children who attended had a wonderful experience. I would like to thank the staff and volunteers who supported us with this activity.
- Year 5 and 6 took part in a science fair at St. Bees school.
- KS2 performed songs from Young Voices to the Jubilee club. It was lovely to host our visitors.
- The termly Scholastic book fair was a great success and it was a lot easier to process payments with the new system. It was lovely to see so many families supporting the event. Commission from these events allows us to purchase a variety of books for the children to read and enjoy in class.

Clubs and after school care will be continuing in the same style as the past half term with the same clubs on offer. If possible - if your child is attending art or food club please book and pay for a block of bookings as this aids our planning of activities. It is not essential though.

Please see the updated calendar for the next 3 months of events.

Kind Regards

Jacqui Beavis – Headteacher
