Head teacher's message

Dear Parents / Carers,

We would like to welcome Miss Griffiths to the teaching team. She will be working with us Wednesday – Friday each week based in Year 5 & 6. She will also be doing some teaching in other classes across the school. Miss Griffiths is an experienced teacher and will be job sharing with Mrs. McQuirk.

Thank you for your support on Wednesday when we awoke to no water at school. It was not an easy decision to close the school but was made with Health & Safety as the main focus. I was pleased it was for only one day and we were back to business as usual on Thursday.

Our new Parent Teacher Group (PTA) has had a couple of meetings and are planning their first event for the children – Halloween Disco. See over the page for further information. The group were looking for a name and set up a competition for KS2. Jace in Year 3 won with the name 'Moor Row Money Angels'. He was very pleased to win a packet of sweets. The group will be writing a newsletter soon. There is still time to join in with this fundraising group.

I hope you have an enjoyable weekend.

Kind Regards
Jacqui Beavis – Headteacher

School messages, notices & reminders

Improving the curriculum and assessment system <https://www.gov.uk/government/groups/curriculum-and-assessment-review>

The [Curriculum and Assessment Review](#) are asking for suggestions and proposals to help them improve the curriculum and assessment system.

The review panel want to hear:

feedback on what works in the current system

what doesn't work or isn't helpful

suggestions for potential improvements

They would like to hear from a wide range of people including:

students, pupils and learners

parents and carers

teachers, tutors and lecturers

headteachers and senior leaders

the wider school, college or university workforce

researchers, academics and education experts

employers

local authority officers

anyone with an interest in the curriculum

This is not a consultation and we are not seeking views on specific recommendations at this stage.

This call for evidence is an important step in the review process. Any information you provide will feed into the review and help the panel to make its first recommendations.
